

Ukraine has the Drone Pilot Groups. The best and brightest should be recruited & trained. Their mission would be to deprive Russian forces of situational awareness. This is cost effective. It also gets around the republican speaker of the house "problem".

Trump can afford "money justice" but we can't. Either all men are equal under the law or they are not! Money justice negates equality! Whats the point of this system? It can not claim to be equal. A system not based on money is needed!
